WHAT SHOULD YOU DO WITH YOUR EXPIRED OR UNWANTED MEDICINES?

There are a number of ways to dispose of expired or unwanted medicines.

Medicines help treat diseases, manage chronic conditions, and improve health and well-being for millions of Americans. It is important that patients take their medicines as prescribed by their health care provider, and as indicated on the label or packaging. It is also important to be sure to store medicines securely to prevent accidental ingestion or misuse by others, especially children.

If you have expired or unwanted medicines, proper disposal is easy. To protect your privacy, patients are reminded to remove all personally identifiable information on medication labels or packaging before disposing of unwanted medicines.

This material has been provided for the purpose of compliance with legislation and does not necessarily reflect the views of MED-Project or the companies participating in the MED-Project Product Stewardship Plan.
**HOUSEHOLD MEDICINES DISPOSAL**

1. **CHECK THE PACKAGE**
   - If there are specific instructions for disposal on the label, package or package insert, please follow those instructions.

2. **CONVENIENT LOCATIONS**
   - To find kiosk sites in your area, visit the Convenient Locations section of www.med-project.org.

**What items can I dispose of at a kiosk?**

**ACCEPTED:**
- Medications in any dosage form, except for those identified as Not Accepted below, in their original container or sealed bag.

  - If transferring medicines to a sealed bag, please be sure to recycle remaining packaging.

**NOT ACCEPTED:**
- Herbal remedies, vitamins, supplements, cosmetics, other personal care products, medical devices, batteries, mercury-containing thermometers, sharps, illicit drugs, and pet pesticide products.

**MAIL-BACK**

Mail-Back Services are available in your area. To order a Mail-Back package, visit the Mail-Back section of www.med-project.org.

To protect your privacy, patients are reminded to remove all personally identifiable information on medication labels or packaging before disposing of unwanted medicines.
