New Medication Drop Box Installed in Chowchilla

MED-Project's new drop box location reflects our commitment to provide accessible services to rural California residents

CHOWCHILLA, CA – MED-Project is pleased to highlight a new unwanted medication drop box that was recently installed at Alpha Care Pharmacy in Chowchilla, California. Secure and convenient medication disposal sites are an important aspect of community safety. MED-Project is committed to supporting rural communities with easy-to-use solutions for removing unwanted or expired medications from the home.

MED-Project's newly installed drug take-back drop box, located at Alpha Care Pharmacy in Chowchilla, CA

MED-Project's drop boxes are located at select pharmacies and law enforcement agencies throughout the state, including locations far from large cities. In addition to unwanted medication drop boxes, MED-Project offers free mail-back services offering secure, pre-paid medication disposal packages directly to residents who

request one.

“These services offer residents easy, reliable ways to dispose of unused household medications,” said Dr. Victoria Travis, National Program Director at MED-Project. “Our mail-back program and drop box locations make safe medication disposal simple, convenient, and completely free for residents.”

For more information about MED-Project and its programs, including accepted medication types, visit med-project.org or call (844) MED-PROJECT.

About MED-Project USA

MED-Project USA is a non-profit, 501(c)(3) tax-exempt organization that develops,

implements, and operates safe, effective, and compliant programs for the disposal of household medicine and sharps in adherence with state and local legislation. MED-Project works with national and local chain pharmacies, independent pharmacies, law enforcement agencies, and community-based organizations to educate residents and those who care for them on the proper usage, secure storage, and safe disposal of household medicine and sharps. To learn more, visit www.med-projectusa.org or call (833) MED-PROJECT.
